

RUN AN OZHARVEST FOOD DRIVE

HELLO!

Hosting a food drive and packing hampers is the perfect way to engage your team, organisation, school or community group to support OzHarvest. Here are some simple steps and requirements to get you started.

PLAN YOUR FOOD DRIVE

- Set the date to receive all the food donations, two weeks is a good guide
- Choose a highly visible collection point that is easy to access
- Let your organisation know you are hosting an OzHarvest Food Drive.
 - Send out an email
 - Put up posters (OzHarvest can provide a template)
 - Use social media
 - Announce in meetings
- Use the guide below for the types of food to donate

COLLECT THE FOOD

OzHarvest Food Drives can be run all year round for non-perishable food items only and within use-by date including:

- Pasta, rice, whole grain cereal
- Canned fruit and veg, tuna, salmon, chicken, beef stews (ring pull)
- Long life milk products, breakfast cereals, tea/coffee
- Biscuits (sweet and savoury)

Food containing alcohol cannot be accepted, so please do not collect Christmas Puddings!

Please avoid filling heavy boxes, do not wrap the food, leave boxes open. Food donated in eco shopping bags is preferred.

CREATING HAMPERS (OPTIONAL)

Once the food is collected, OzHarvest can collect the food as it is or you may like to get your team further engaged by organising a working bee to create hampers.

- Divide food into hampers/parcels ready for distribution.
- Pack in eco shopping bags including a good variety of food in each bag.

A great hamper for a family of 4 includes:

Breakfast - Box of cereal or oatmeal, dried fruit, long life milk

Lunch - Tuna, peanut butter, soup, canned vegetables, canned fruit, crackers

Dinner - Any canned protein (i.e. beef stew, chicken, tuna, beans), meat sauce, macaroni & cheese, pasta or rice, canned fruit or vegetables.

CALL US TO ARRANGE COLLECTION!

Contact us to collect the food. We can always come twice if you are running out of space!
