CORPORATE ENGAGEMENT WITH OZHARVEST

COOKING FOR A CAUSE

OzHarvest's Cooking for a Cause is a hands-on cooking class open to corporate groups of all sizes. Led by our OzHarvest chefs, teams get busy in the kitchen transforming rescued food into restaurant-quality meals that are then delivered directly to disadvantaged communities.

In addition to bonding over the creation of delicious dishes such as handmade pasta and beautiful salads, your team will take away practical kitchen skills and knowledge that they have made a real difference, allowing those less fortunate to enjoy nourishing meals made with love.

Teams will also get the benefit of sampling some of the delicious food they have created!

OZHARVEST BACKGROUND

OzHarvest is Australia's leading food rescue organisation with a driving purpose to *Nourish Our Country*. It began with a simple concept to rescue good food that would otherwise go to waste and deliver it to people in need.

Founded by Ronni Kahn in November 2004, after noticing the huge volume of food being wasted in the hospitality industry, OzHarvest started in Sydney with one van which delivered 4,000 meals in the first month. It now operates in Sydney, Newcastle, Adelaide, Brisbane, Canberra, Melbourne, Gold Coast, Perth and regional communities across the country. To date, over 60 million meals have been delivered to people in need and 20,000 tonnes of food saved from landfill.

Each week OzHarvest rescues over 87 tonnes of quality surplus food from more than 2,000 food donors including supermarkets, restaurants, cafes, hotels, retailers, airports and food outlets. It then delivers directly to more than 900 charities that feed vulnerable Australians.

OzHarvest is making a positive difference to the lives of men, women and children at charitable agencies across Australia who now have access to a wider supply and variety of fresh and cooked food, fruit and vegetables.

The for-impact organisation provides nutrition education to vulnerable communities and hospitality training to disadvantaged youth, playing a critical role in breaking the cycle of intergenerational poverty.

OzHarvest is the official partner of the United Nations Environment Programme (UNEP) for the Think.Eat.Save campaign in Australia, hosting events all over the country to tackle the issue of global food waste.

EVERY $1 DONATED ALLOWS OZHARVEST TO DELIVER TWO MEALS TO PEOPLE IN NEED.
