A UNIQUE EXPERIENCE DESIGNED
FOR EXECUTIVE TEAMS TO LEAD
THEIR ORGANISATION AND
PEOPLE WITH SHARED PURPOSE

A TRANSFORMATIVE EXPERIENCE

Maximus has partnered with OzHarvest to bring a transformative leadership experience, designed to help executive teams put purpose-led leadership at the heart of their organisation, driving value for themselves, for the business and society around them.

Learning within the context of an entrepreneurial, disruptive and completely purpose-led organisation, Maximus will guide your executive team to a greater understanding of their existence and purpose, in order to **drive focus and impact back in their business and beyond.**

LEADING WITH PURPOSE

Our custom-built offering for executive teams places them in a world of delivering towards a shared purpose, thriving in disruption, and game-changing entrepreneurialism.

This experience will be brought to life within the world of OzHarvest—who are solving one of the world's biggest problems.

Maximus will guide the executive team on a journey of self-discovery, helping them derive a better sense of self-purpose, and an aligned vision at the highest level of the organisation.

OUTPUTS TO EXPECT

Participants will:

Derive personal and commercial learning through a mind-blowing, transformative, highly unique experience

Encounter personal disruption, and transform it into commercial and entrepreneurial 'aha moments'

Reach clarity about leadership purpose, passion and desired impact: through recognition that a great leader is first a person of rich character, capable of deep empathy and profound influence

Spend 3 days inside OzHarvest:

- Learn lessons on resilience and entrepreneurial spirit
- Understand how to disrupt an industry and regulation
- Get your hands dirty by picking up and distributing re-purposed food
- Experience true purposeful leadership first hand through a fire-side discussion with founder and CEO Ronni Kahn

VALUES WE SHARE

Maximus and OzHarvest have been partners for many years, and we share a number of values:

We are uniquely purpose-led, with an embedded desire to have a positive impact on the world

We believe that only when the head and heart are aligned can people truly deliver a positive impact in their organisation, on their people, and the broader community

We are progressive and future-focussed, solving for the problems of tomorrow, today

We share and enjoy an entrepreneurial and innovative spirit, enabled by our strong sense of purpose

EXPERIENCES WE'VE DESIGNED

I have never experienced something so powerful, confronting, challenging and helpful at the same time.

—PARTICIPANT

This experience has been the best learning experience of my career. It has challenged me in ways I have not been challenged before and has supported me to discover more about myself as a person and as a leader. The structure of the program, with the combination of experiences and content, was challenging, balanced and impactful.
